Allergen Policy

If you have an allergy, intolerance or coeliac disease, please let your server know and they will guide you through our allergen information so you can make an informed choice.

As required by law, we provide full information on the 14 listed allergens. The table below shows where allergens are intentionally added to each dish on our Christmas menu.

We have strict cross-contamination controls and a robust allergen policy in our kitchen. However, our kitchens are busy places where allergens are handled and equipment is sometimes shared, so despite best practice we cannot guarantee that any of our dishes are free from allergens.
